The proposed 2021-2022 budget is a 4.75% or \$11,005 increase over the 2020-21 budget. The tax levy increase is 4.39% or \$10,000. The proposed budget includes reductions in employee salary expenses and program expenses, and increases in costs for cleaning and equipment due to the COVID-19 pandemic, costs for automation contracts in order to access data required by state law regarding public use of school library materials, and anticipated legal fees as we negotiate a new agreement with the school district for shared use of the facility.

What will you pay?

The current Library tax rate is \$0.75 - \$0.85 (varies by town/village) per \$1000 of assessed value. We do not yet have assessment information for the new tax rate. Here is our best estimate for what you will pay in total Library taxes for the 2021-2022 year:

If your property is assessed at:	\$ 45,000	\$ 100,000	\$ 150,000
then your <i>current</i> library tax is:	\$34 - \$38	\$75 - \$85	\$113 - \$128
and we <i>estimate</i> that your <i>new</i> library tax will be:	\$35 - \$40	\$80 - \$90	\$120 - \$135

Kim has been working in the education field for more than 10 years. Currently teaching Special Education at Gananda Middle School, she has prior experience as special education teacher and lead teacher at Hillside Children's Center-Varick Campus and as a 1:1 aide at Victor Central Schools. She has a dual Master's degree in Special Education and English from St. John Fisher.

Born and raised in Pittsford, N.Y., Kim would spend the weekends with her Grandmother in Manchester. Her grandmother Jeanette Potter, grandfather Fred Gilfus, father and uncle were all born and raised in Manchester and graduated from Red Jacket Central Schools.
